Dear Mr. Doniguan,

Thank you for your letter of July 29th, addressed to His Eminence Abp. Torkom Manoogian, who asked me to respond to you. Unfortunately, I have not received any correspondence from you regarding unsettled balance. Nor have I received an answer to my letter dated September 11, 1984, a copy of which I enclose. As stated in that letter we have paid the transportation charges, and our account with you should be up to date.

Please notify us if we can be of further assistance.

Sincerely,

Mary Derderian
