Dear Mr. Kermian,

Thank you very much for your letter and I note with pleasure the Albums have arrived safely and have been cleared through Customs.

I would be most appreciative if you could advise me when remittances are made so that I can keep a check as far as the bank is concerned.

In the event that any further albums might be required, please advise me.

For the record, I have been asked by His Beatitude Patriarch Sinork Kalustyan to close the HOIY CROSS account in London and transfer the proceeds to you. Copy letter enclosed for your information.

With every good wish,

Yours sincerely,

G.S. KURKJIAN
