Ladies and Gentlemen:

The Chaplaincy Services Department at this correctional institution has begun a topical filing system on all major religions, denominations, faithgroups, ect.

Would you be willing to send literature, booklets, brochures that pertain to your particular beliefs and doctrines: Salvation, Polity, Government, Doctrine, Scriptures, Organization, History, Background, Ordination, and others that may be helpful.

What we are seeking is, "Who Are You" and "What Do You Believe". We would like to know who, what, when, where, how and why to your particular faith group.

If possible, would you please send two of each item that is sent. Any and all information that you send will be greatly appreciated for enhancing the knowledge of our inmates.

Respectfully,

Wayde D. Pope
Chaplain
