

MR. BILL GALLAGHER

With reference to the attached memorandum received from the Bookstore, Serpazan suggested that the sum of \$450 should not be transferred to the Archbishop's Fund but to the PUBLICATIONS FUND.

Could you please look into it?

of the Armenian Church

Your Grace,

Aware of your great interest for the propagation of the Armenian language and literature, I have the pleasure of sending you by separate mail a copy of the latest work published in Portugal under the auspices of our Foundation dedicated to the memory of the great philologist, Haig Berberian, towards which 50 internationally well-known specialists contributed.

This book is bilingual, English and French, and will most certainly be of interest to a large number of our compatriots on the other side of the Atlantic. Furthermore, if you think that through the intermediary of the bookshop of your diocese you could distribute this book, our Department could, according to the number of books ordered, award you a discount.

Wishing you safe receipt and with respectful regards, I remain,

Yours sincerely,

Roberto Gulbenkian

Please arrange to provide us another shipment of 150 copies of the same books.
