Very Rev. Arshen Aivazian, Pastor

April 6, 1973

Dear Mr. Kavookjian:

As per my conversation with Miss Papazian,
I am writing this note in reference to our funds
which to date is very low!

This week we were able to cover the essential
items only. There are still outstanding bills which
we cannot meet such as; utilities, the check for
taxes which is over \$500, Public Fuel (along with
repairs) is over \$600.00.

We must have \$2,000 immediately to ^{me} us over!

Yours truly,

David Davidian

Dear Mr. Davidian:

In response to your appeal for funds
I am sending you herewith a check for
\$2000.00.

I would, however, ask you to try to adjust
your budget and if your income is less than
your expenses, you will have to cut down your
expenses.

Sincerely,

Haik Kavookjian
