PAVEMENT RESTORATION

TEMPORARY RESTORATION:

In all areas where an existing pavement of any type, or sidewalk, is disturbed by the work done under this contract, the Contractor shall temporarily restore the surface of the street where disturbed with Temporary Surfacing, Sect. 4.05 as amended, immediately after completion of the work thereunder or as it progresses.

All temporary restoration shall be maintained by the Contractor, in a suitable and safe condition for traffic until the final restoration has been made or the work finally accepted.

The cost of all temporary and final restoration including the maintenance thereof is to be included in the price bid for sewer in place.

All pavement restoration both temporary and final shall be done according to the specifications of the Bureau of Highways and to the satisfaction of the Engineer of Highways.
