His Eminence Archbishop Torkom Manoogian, Primate
630 Second Avenue
New York City, New York 10016

Your Eminence:

I am writing in order to bring you up to date as to the activities at St. Gregory Armenian Church since the church has been locked by Alice and John Bogdasarian. Incidentally it has been learned from eye-witnesses that Alice (a non parish council member) has had free access to the church. However directors of church activities have been denied access to the church even after requesting keys from the parish council chairman. In the past two weeks parish council has failed to make any provisions for the Sunday school, and I now feel that nothing will be done.

The Parish council chairman has failed to contact the Sunday School superintendant and make any arrangements for the children. As a result of this negative action, the children are now attending Sunday school at the Main Street Baptist Church in Binghamton, New York.

Sincerely,

A. Kachadourian, M.D.
