Dear Yeretzgin Rosalie:

Thank you for your letter. It sounds like you have conceived a most interesting project, and the results should prove illuminating indeed for everyone in our Church family. Please do contact other Yeretzgins in the Diocese and make arrangements to gather during the Diocesan Assembly week-end to discuss the book and each person's contributions to it. We should be gratified to be kept informed on the progress of the work.

May God send you the blessings of His wisdom and counsel, and grant you and your loved ones peace, health and joy.

Prayerfully,

Archbishop Torkom Manoogian
Primate
