Your Grace:

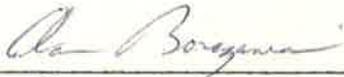

As you are aware, Father Diran Papazian has made known his desire for reassignment from the Cleveland Parish upon completion of ten years of service to our community. Ten years of service will be completed by October 1982.

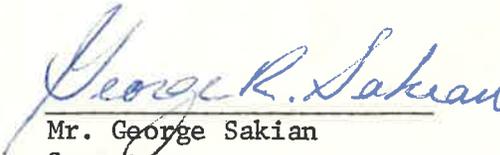

In order that an orderly and productive transition occurs at the appointed time in the succession of our pastorate, the Parish Council has authorized the creation of an ad hoc committee whose function will be to find a successor to Father Diran. This committee is composed of Mrs. Florence Karoghlanian, Mr. Armen Asadourian and Mr. Nat Arslanian from the Parish Council. Other members from the community will also be appointed to this committee. Parishioners Robert Bagdasarian and Kevork Arslanian have agreed to date to also serve. Father Diran is an ex-officio member.

We ask your approval and blessing in this endeavor so that we can all productively and efficiently serve our church and parish in the furtherance of our faith and culture.

Sincerely,

Fr. Diran Papazian
Pastor

Mr. Alan Borazanian
Chairman, Parish Council

Mr. George Sakian
