Your Grace:

In behalf of our pastor, Rev. Fr. Diran Papazian and members of Parish Council, we join in extending our gratitude to your recent visit to the Cleveland community.

We can all agree that several issues were well covered through our casual and friendly discussions during those two days with the various organizations.

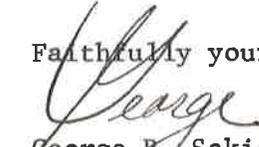

The one major issue which was repeatedly discussed which we will remind you was the pastoral replacement for Fr. Diran who has planned in leaving Cleveland in November, 1982 after ten years.

Along with our pastor, the void to be created at that time is of the utmost concern of the Parish Council and its community.

With this lead time being considered, we are confident that together within the year, a solution can be found.

From the entire Cleveland parish, we again thank you and look forward to a 1982 filled with prosperity.

Faithfully yours,

George R. Sakian
Secretary
