Your Grace:

The Annual Parish Assembly for S.S. Joachim and Anne Armenian Apostolic Church was held on February 12, 1984. At the request of the Diocese and per the terms of our by-laws, enclosed is the report of that meeting along with all the supporting documents relevant to that meeting.

Your Grace, it is the wish of the parish that the following individuals be approved as trustees for a term of two years each. They are as follows: Kegham Giragosian, Raffy Hovanesian, Margaret Lave, Andrew Sahagian and Arman Simonian. It is our understanding that these people must be approved prior to our Parish Council resuming an active role in the affairs of the church so with all due respect, we request your immediate attention in this matter.

On a personal note, it was a pleasure to have you here with us for the consecration of our new church. As always, your presence is warmly received by our parish and we look forward to having you with us again in the near future. My home is always open and anything I can do to be of service to you or the Diocese would be humbly accepted.

I continue to discuss with the members of our parish and those of other parishes here in the Chicago area, the possibilities of having a nursing home for the elderly in the Palos area. As you know, there is a nursing home next to our church. Any ideas you may have on this project would be greatly appreciated.

Your Grace, we anxiously await your reply and look forward to having you with us again in the near future.

Respectfully,

M. Dennis Vander Meer, Chairman
