Diocese of the Armenian Church

Dear Mr. Manuelian:

The West Pullman Armenian Church Trustees regret having been negligent in sending to the Diocese the 1957 Parish Report. The reason for this is that some of the required information cannot be furnished because as yet, we haven't had our Parish Assembly for this year. This event is scheduled for May 19th. However, if you desire this part of the information later, we can send you the rest of the report now.

Please advise.

Respectfully yours,

Antranig Borolian
