RE: Election of new PRIEST/ Diocese approval

Attn.: Archbishop Khajag Barsamian, Primate

Your Grace, on December 4, 1994 the parish of Saints Joachim & Anne Armenian Apostolic Church held a Special Assembly Meeting to discuss various topics one of which was the election of a new PRIEST. In early September we had been commissioned by our assembly to find a full time priest for our parish. After several interviews with various clergy from the diocese our parish has requested that Fr. Tavit Boyajian be assigned to our church.

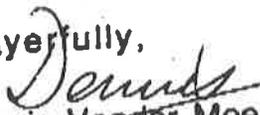

We would request that he be assigned to our parish as of January 1, 1995. This of course subject to other prior commitments of the Diocese and Fr. Tavit. We are most anxious to get our church affairs settled in this regard and would request your earliest response.

Fr. Tavit and our Parish Council have agreed on all of the major concerns expressed by Fr. Tavit. All that remains is for this information to be memorialized between myself and Fr. Tavit. I do not foresee any problem and for this reason make our request of yourself and the Diocesan Council.

Should you have any further questions of us please feel free to contact me at my business or home address. As always, it is an honor to talk with you regarding any matters concerning our parish.

I wish you good health and comfort of mind in your guidance of our flock thru 1995. As always, I remain but a humble servant of our Lord.

Prayerfully,

Dennis Vander Meer
