Dear Trina:

It was very nice to hear from you.

Our Stewardship program is basically this: We are going to make an effort to get interested people to contribute \$100 a year, and become as a result St. Vartan Stewards. We plan to have an attractive lapel pin prepared to give to each Steward and urge that he or she wear it whenever possible.

I haven't written to you about it because we are not quite ready. A brochure is being prepared. The copy is all done; we are waiting for the design, and printing. The pin is also being designed now. We should be ready to go early in September, when I intend to start touring our parishes on a number of missions, this being one of them.

It is not our intention to organize formally in the parishes for this, because they have their own needs. But I hope to be able to find some people in each area to help on an individual basis.

We hope you will be one of these people.

In any event, when the planned stuff is ready, I'll be writing you again.

Sincerely,

Jack Antreassian
