Cedar Grove, New Jersey

Dear Mr. Tahmazian:

We appreciate your stewardship of St. Vartan Cathedral, as we appreciate the feelings you expressed in the accompanying note.

In response we can say only that we do the best we can. The Diocese today is creating new programs, books, tapes for our Armenian Schools, because it believes strongly in the importance of these. The Diocese is doing more today than ever before in this area.

If we have personal failings in this regard, we try to make up for them in other ways.

Best wishes.

Sincerely,

Jack Antreassian  
Executive Director
