

April 10. 1974

Dear Sirpazon

I know this is not the correct way to address this letter. Please forgive me.

I am sending this money to be used, if possible, in the Stewardship Fund in memory of my husband. Because he was very happy last year in having a share in it. if that is not proper then do as you wish with it. I hope you are well. Please take care of your self.

Sincerely

Rose Boyajian
