

November 5, 1974

Mr. Dickran H. Boyajian
375 Mount Auburn Street
Watertown, Massachusetts 02172

Dear Mr. Boyajian:

You are right. The Stewardship program has faltered inexcusably. And it is too bad. I think it is or can be one of the best programs, both from the point of view of public relations and fund raising, that we can put across.

But no one seems to want to push it.

So there we are.

I hope it will turn around one day soon.

Sincerely,

Jack Antreassian
