Dear Dr. Fattal:

Forgive the delay in responding to your letter of October 31.

We have checked our records to the degree possible in an effort to trace the earlier \$100 donation which was apparently credited to an account other than Stewardship.

If you can give us the date of the check, it would help us a great deal. A photo copy of the check would be even better, if it is convenient for you.

We have a number of accounts, and it would save us time and effort if you would help us in this manner.

We appreciate your cooperation.

Sincerely,

Jack Antreassian
