Dear Ms. Arslanian:

I have considered your request on behalf of the Ann Arbor Armenian Community for Church Services in Ann Arbor on a once a month basis on the last Sunday of each month beginning in the month of December, starting on December 27, 1987.

St. John's is making this commitment through the Ann Arbor Armenian Community for one year on a trial basis. At the end of this period, we will evaluate the success of our efforts and will make more final arrangements.

Please provide me with the names and addresses of everyone in the Ann Arbor Armenian Community, both residents and students, so that we may inform them of our plans.

If you feel that I should write to Rev. William Melnyk in regards to our arrangement, please advise me. Otherwise, his letter of September 18 is considered a commitment. Also, advise me of your preference for the beginning time of the Service. I feel that 10:00 would be the proper time. With the above commitment, St. John's obviously is assuming financial responsibility towards your community which will include rental for St. Aiden's Episcopal Church.

Hoping that both your and St. John's commitment will come to full fruition, I remain,

Prayerfully,

Father Paren Avedikian
Pastor
