Mr. Stephen Saxenian  
Chairman of Parish Council  
St. George Armenian Church  
✓ 1111 Bering Drive  
Houston, Texas 77027

Dear Mr. Saxenian:

We are most pleased that Dr. Krikor's trip proved so effective and share the view that it will have a salutary effect on the community.

We will discuss with him the matter of regular visits, and as soon as some determination is made, we will communicate with you again.

As to our own visit, we are unable to make a specific appointment as yet, but we shall keep it on our desk for arrangement at a convenient time.

We were gratified too, by the remittance your parish sent to the Diocese. Its indication that your parish has consciously sought to assume this responsibility is most commendable.

In the near future we shall assign the new members to serve on the Parish Council and the Ladies Executive Committee.

Prayerfully,

Archbishop Torkom Manoogian  
Primate
