Mr. Stephen Saxenian
Chairman of Parish Council
St. George Armenian Church
7534 Briar Rose
Houston, Texas 77042

Dear Steve:

Jack has already written to you in response to your letter of November 9, asking for better photographs and biographical material of Mr. Harrison for use in our publication. We hope you will be able to provide these.

With respect to plans for a church to be built there, it will be difficult for our architect friends to make any suggestions, without any idea of the particulars of the situation. Before any such planning can be done, the place, the size of the land, the size of the church, and a number of other equally significant factors must be considered.

When some of these are determined, we can consult with local architects. Meanwhile, it might be helpful to you and what committee you organize to see some plans of another church, which we will forward to you under separate cover.

F Prayerfully,

Archbishop Torkom Manoogian
Primate
