REV. FATHER TERENIG KONDRALIAN  
Pastor - St. George Armenian Church  
15119 Wellman Lane  
Houston, Texas 77060

Rev. Father Terenig:

We are pleased to announce to you and your parish the acceptance of the Houston Chapter of the Armenian Church Youth Organization of America - St. George Armenian Church, into the national Youth Organization of the Diocese of the Armenian Church.

Although we have received your request of acceptance, and have approved it, we are in need of a formal letter signed by the Pastor and Parish Council Chairman for our own records. (Your letter to the Primate included other business, and thus we are unable to use it for our files.)

We appreciate your attention on this matter, and expect to be hearing from you very soon. The Central Council Chairman shall be sending information regarding the Constitution, General Assembly, delegates' information and other related matters.

It is hoped that the Houston Chapter of the ACYOA will begin to serve as a beginning for further youth development and the presence of the ACYOA in the State of Texas.

Respectfully,

NANCY L. MALKASIAN  
Recording Secretary  
Central Council

JAMES MAGARIAN  
Executive Secretary
