SONA YAZIJIAN  
Treasurer - ACYOA Central Council  
923 Hinman Street - Apt. 2G  
Evanston, IL 60202

Dear Sona,

In reference to your letter of March 4th, I immediately send you any and all bank and brokerage statements, as I receive them.

As for the particular statement you requested, we have informed the bank and the brokerage to send all correspondence and materials to the Diocesan address. Since the middle of January, we have received several items at the Diocesan address - thus perhaps the proper changes have been made. It is possible that the particular statement that is missing could have been lost in the change. If it turns up, I shall send it immediately. However, if you are in desperate need of it, write to the bank and request a copy.

I am glad to see that you have made the time to begin fulfilling your responsibilities as a Council Member. Hope that you are able to keep it up.

Sincerely,

JAMES MAGARIAN  
Executive Secretary
