Dear Susan,

Congratulations are in order to you and the Palos Heights ACYOA Chapter for successfully hosting the 1981 Archbishop' Torkom Manoogian Basketball Tournament.

We are very pleased to learn that a fine representative number of participants and teams had the opportunity to sample your hospitality. We are sure that they more than enjoyed themselves and truly were happy to travel to your parish.

In the future, we look for your Chapter to participate in regional and national events and programs, as well as continue to generate youth activity within your fown parish.

Again, we are very happy that the 1981 Archbishop Torkom Manoogian Basketball Tournament was a success, and hope that it may have provided your Chapter with experience and motivation to continue, grow, and provide for the Armenian youth of your area.

Sincerely,

JAMES MAGARIAN
Executive Secretary
