Dear Serena,

Congratulations are certainly in order to the Detroit ACYOA Chapter of St. John Armenian Church for capturing the championship trophies at the 1981 Archbishop Torkom Manoogian Basketball Tournament.

It is certainly good to hear that the Detroit ACYOA Chapter was able to participate in both the men's and women's categories, and moreover, achieve NUMBER ONE ranking in both. This achievement not only points to a fine athletic program, but also to Detroit's continued desire and ability to participate on the regional and national levels with enthusiasm and true spirit.

We hope that all your chapter activities meet with such success, and that you are able to maintain a dynamic youth program for the large youth population on your parish.

Sincerely,

James Magarian
