Dear Robert,

This letter is to inform you that the Primate and Diocesan Council of the Diocese of the Armenian Church of America have officially approved and confirmed the proceedings and elections of the Annual ACYOA General Assembly recently held in Hartford.

We extend to you recognition for your efforts in serving the Armenian Church during the past two years as a member of the Central Council of the Armenian Church Youth Organization of America. Your presence on the ACYOA Central Council brought sincerity, and a quality character that assisted in making the Council of the past year a successful and accomplished-filled group. You helped in making the Council a more harmonious body that had been experienced for several years.

We extend to you our best wishes for future success in your God pleasing endeavors - both in secular areas. We are confident that whatever your involvement, you will bring to it your sincere dedication and fair character.

Your participation in your local parish is of greater importance than you may think. We have discussed the means to change and progress, however we must remember that it begins on the local level where the change and progress is most directly felt. You can be the one to initiate change and really assist in the local youth program for your parish. We cannot think of anyone more concerned or able to administer to the real needs of the young people of the Holy Trinity Armenian Church. We both know of the real needs that exist there, perhaps you will meet the challenges and begin the stages to initiate change.

May God bless you and your family.

Sincerely yours,

JAMES MAGARIAN  
Executive Secretary - ACYOA
