Dear Director,

A recent issue of the Armenian Reporter Newspaper featured an article describing your Summer Intern Program. We note with interest your expansion to include Journalism and Media participants next summer.

At your earliest convenience, would you please forward to us (at the address below) any information and pamphlets regarding the Summer program, with special regard to the Journalism and Media areas.

We thank you in advance and hope you will be successful in your endeavors to assist the Armenian Community.

Sincerely,

JAMES MAGARIAN
