Dear Alenoush,

It's been a long while since we've heard ~~from~~ you or the Washington ACYOA Chapter. What's been going on, if anything??

We thought some of you might attend the General Assembly and National Sports Weekend in New Britain in September. Next year it will be in Toronto, Canada.

Please send us a note if you have been meeting, what you've done, what you have planned, etc., etc. If necessary, we may have to come down again and try to find out what the problems ~~is~~.....

We look forward to hearing from you ~~and hope~~ that the chapter is operating to some extent.

Stay well and have a happy holiday.

Sincerely yours,

JAMES MAGARIAN
