Dear Robert,

We were happy to receive your note and check covering the Wynnewood ACYOA Chapter dues for the 1982-83 year. It is good to know that your Chapter is again operating and that you met the prescribed deadline of the National Organization regarding dues.

In case you were not informed, the dues money to the National Organization is sent to the ACYOA Central Council Treasurer for deposit into the National Treasury. The following name and address should be in your reference:

RALPH DERASADOURIAN
Treasurer - ACYOA Central Council
29720 North Bayshore Drive
Lake Bluff, IL 60044
[312-234-3952]

[NOTE: All checks for the national Organization should be made out to "ACYOA Central Council"]

Enclosed are various forms you may or may not have. Kindly use them as needed.

One last note, we ask that whenever forwarding dues money, that you also forward a list of members which the dues cover. The list should include the name, address, zip code, and use the specified form (see enclosure). In this way, we are able to maintain our files, as well as properly send out the official ACYOA National Membership Card direct to the member. Cards will be mailed out beginning in January and February. When Card may be used for discounts and special admissions to ACYOA Regional and National events and activities.

We look forward to seeing you when we visit your parish later this year. May you enjoy this wonderful holiday season.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary - ACYOA
