Dear Louise Kalemkerian,

The Primate has informed us that you are in possession of a copy of a set of slides on the Armenian Divine Liturgy. As you know, the ACYOA Audio-Visual Educational Program produces programs on the Church and Armenian culture. One of the programs we have in mind is the Armenian Divine Liturgy.

His Eminence informed us that a set of slides were carefully prepared some time ago and what was needed was a script-narration.

His Eminence has directed that we review the slides and begin such a narration to make this program complete.

Therefore, would you please forward the complete set of slides immediately to the address provided below? We should like to begin our review as soon as possible and perhaps have the narration prepared and taped within a few months..

Best wishes to you during this joyous season of the Holy Birth.

Sincerely,

JAMES MAGARIAN
