Pastor
President of Parish Council
St. Mary Armenian Church
417 14 Avenue
Irvington, New Jersey 07111

Dear Father Houssig:

From time to time we have tried to maintain at our Headquarters a calendar of events and activities of our New York and New Jersey Churches. Such a calendar can serve many purposes, and redound to the benefit of all concerned.

We propose to go ahead with this again, and are asking that all events undertaken by your parish be communicated to us regularly.

We will combine these on a consolidated calendar and distribute them to our Metropolitan Churches. We will do this on the first of every month, so that all scheduled events should be submitted to our Office before that date.

Please cooperate with this effort.

Sincerely,

Jack Antreassian
Executive Director
