Dear Father Houssig:

Anaheda and I were delighted by your visit with us on April 1. It was a most enjoyable evening for us.

We were happy also that it afforded us the opportunity to discuss our plans for the various activities to take place on the occasion of the visit of His Holiness. The ideas that emerged were most useful.

We have already decided, for example, that the price for the banquet will be changed to \$30.00 per person. We hope that this will motivate us further in interesting all our parishioners to attend.

The purpose of this change was to make it possible for everyone to participate in this homage to our Catholics.

If we all work together and spread the message of this great and unique event, we will be bound to succeed.

Sincerely,

Edward D. Turnamian
