Diocese Of The Armenian Church Of America  
630 Second Avenue  
New York, New York 10016

Dear Syraun:

On behalf of St. Mary's Armenian School and especially those who were fortunate enough to visit the Diocese, Saturday November 10th, we would like to express our thanks and sincere appreciation. The warmth and kindness shown by you and your staff made our visit on that day one we will always remember and cherish.

We all enjoyed seeing the Cathedral Complex and its various departments, and also, the very tasty hot dogs and cake that was served to us. We would also like to add, the film we saw was quite enjoyable and the gifts that were received were appreciated by all.

Once again, on behalf of the Armenian School and everyone who made the visit, we would like to extend our thanks for your kindness and generosity.

Sincerely yours,

*Louise Nakashian*
