The Most Reverend Archbishop Torkom Manoogian
630 Second Avenue
New York, New York 10016

Your Eminence:

I have had the honor of meeting with your Eminence many times at various functions at St. Mary's Armenian Church in Livingston, N.J. and at St. Vartan Armenian Cathedral. I have been an active participant in the Armenian School and in the Sunday Schol (both of which I am a graduate). I also acted as president and as treasurer of the ACYOA. While attending Tufts University in Medford, Massachusetts, I served as president of the Tufts Armenian Cultural Club and tried to initiate an Armenian Studies Program.

After graduating from Tufts University in May 1978 as a Chemistry and as a French major, I was accepted into medical school. I have just completed my first year at Georgetown University School of Medicine in Washington, D.C., and I am looking forward to beginning my second year in September. I am presently working as a preceptor in the Department of Anesthesiology at St. Barnabas Hospital in Livingston, N.J.

I request the honor of an appointment with your Eminence at the suggestion of the Very Reverend Father Houssig Bagdasian.

Respectfully,

Brenda J. Berberian
