Ms. Angel Mary Krikorian

Miami, Florida 33155

Dear Ms. Krikorian:

I received your letter of May 25, 1984 with the enclosed check of \$500.00 for the Archbishop's Fund Campaign.

It distressed me greatly to hear of your recent automobile accident, and of the serious injuries sustained by you and your sister.

Only a person with your devotion and dedication to the Armenian Church could respond so quickly to this appeal, especially during a time of personal crisis.

I shall pray for you and your sister to recover quickly and completely allowing you to resume your normal activities.

You have proven to be a strong supporter of St. Vartan Cathedral and the Diocese and your encouragement has been an inspiration for us to do the many good things we have.

Please accept our heartfelt appreciation for your generosity, and advise us if we can assist you in any way.

Respectfully yours,

Dear Victor:

Enclosed is my check of \$100,000 in memory of Parsek Erkiletian (my father), to the Endowment Fund.

I wish the interest first, principal second, if necessary, to be applied towards the cost of the Hye Rise Committee, which exceeded \$15,000 approved by the Council, for legal, consultants, architect, engineer and other fees necessary to bring the project to fruition. Thereafter, any balance remaining to have the annual interest applied to the Diocese General Operating Fund, less 10% held in reserve for ACEF contingency and capital buildup.

I would appreciate that the funds be invested in short term certificates of deposit, commercial paper, T-bills, so the interest proceeds and principal, if necessary, can be regularly taken down by Frank Stoneson to the Diocese General Operating Fund to pay Hye Rise Committee bills.

Sincerely,

Myron P. Erkiletian

Mr. Jon D. Simonian
81 Bedford St.
New York, NY 10014

Dear Mr. Simonian:

To be an Armenian is to possess many riches...these riches are comprised of our religion, heritage and culture.

In order for us to maintain these riches we must strive to educate our young, inform our adults, assist our elders, and help prepare the men and women in our community to serve in the many roles required by the Armenian Church.

The task of preserving our riches is a challenging one and requires commitment which only, we as Armenians, can relate to.

In order to achieve our objective, the Diocese has the responsibility to fulfill a two-fold mission:

1. To nurture its people for the purpose of perpetuating our religion and culture.
2. To inspire knowledge in areas essential for our progress and identity as Armenians living and growing in the American community.

This task can only be accomplished through the efforts of giving individuals who understand the importance of our mission. The many services performed for the Armenian Church and community have undoubtedly given you an insight that our most significant achievements are yet to be fulfilled.

We can achieve these goals by your support for the Diocese and St. Vartan Armenian Cathedral through a Pacesetter pledge of \$5,000.00 or more payable over five-years.

The proceeds from this campaign, in effect from 1984-1989, shall be invested in the Armenian Church Endowment Fund with the annual interest earned to be used to implement and further the vital programs of the Diocese.

We shall distinguish the names of all donors to the Archbishop's Fund by permanent acknowledgement on a special-design plaque installed in the lobby of Kavookjian Auditorium in the Cathedral Complex (see enclosure).

Your previous encouragement concerning the progress of our programs has been a great inspiration, and we pray it shall continue.

We look forward to your favorable response by the return of the enclosed Pledge Card specifying your pledge and/or donation.

Please contact the Department of Finance for further information regarding the Archbishop's Fund.

Dear Mr. Mardigian:

I wish to acknowledge your gracious letter sent several months ago in response to the Archbishop's Fund Appeal.

In reference to your correspondence, I am well aware that you have been most generous to the Diocese and continually strive to serve the Armenian Church in a true Christian spirit.

You are an individual who possesses the knowledge of giving which is a unique quality that must be passed onto others, especially to those who have the potential to give.

It would be an invaluable service to the Diocese to have a community leader like yourself, who demonstrates outstanding traits and energies, to become a giant conduit that could motivate others to emulate his style of giving. This accomplishment would certainly ensure the positive growth of the Diocese, and help it to attain the goal of serving its people more effectively.

I would appreciate meeting with you to discuss development plans for the Diocese and to request both your expertise and involvement in these plans.

Hoping for a favorable response.

2601 SW. 59th Avenue

Dear ~~Ms.~~ Krikorian:

It was most pleasant talking to you last week, and I was pleased to hear you sounding better than the last time we spoke.

To confirm some of our recent discussions, I would like to especially point out that a dedicated person such as you should have her name permanently inscribed as a "Pacesetter" on the Archbishop's Fund donor plaque located in the St. Vartan Cathedral complex.

A donor who qualifies as a "Pacesetter" pledges a minimum of \$5000.00 payable by 1989.

If you recall, as of May 25 1984 to the present, you have pledged and donated the following amounts:

	\$500.00	5/25/84
	\$1000.00	11/26/84
	\$1000.00	7/29/85
	\$500.00	9/25/85
Total	<u>\$3000.00</u>	

I trust with God's will you shall be able to complete the necessary balance whenever it is comfortable for you to do so. It is people like yourself whose name should live on for posterity as an example to others of what the true Christian spirit represents.

I would be most grateful for your permission to record the necessary pacesetter pledge but shall not do so until I receive your written acknowledgement.

May God Bless you and keep you well,

DIOCESE of the ARMENIAN CHURCH of AMERICA

June 1986

Dear Friend:

For all its splendor, the season of Spring brings with it a trace of sadness. Spring is the time that we observe the commemoration of Martyrs' Day and the celebration of Easter--two events of unparalleled importance that renew for Armenian Christians around the world the scenes of tragedies from which no apparent good could have been derived.

However, the season of Spring is also a time of rebirth for all creation. And we, as Armenians and Christians, find comfort in the knowledge that goodness and grace can emerge from seemingly unredeemable tragedies and that, as in the words of Romans 8:28, "All things work together for good to them that love God."

And we can remember, joyfully, that Jesus did rise from the dead to fulfill the Father's promise to deliver a Savior and that our people have survived genocide to thrive not only in this nation, but in our Motherland and throughout the world.

The rebirth that we have been experiencing in this country, however, depends greatly on our youth. It is today's boys and girls who will carry on the Armenian-Christian heritage and tradition.

Our society's attractions and distractions compete tenaciously for the hearts and minds of our youth. Therefore, it is of the utmost importance that the church--the body of believers--make an even stronger attempt to provide a vital atmosphere in which our youth can grow physically and spiritually.

The Diocese of the Armenian Church of America needs your continued financial support to maintain a wide range of programs whose goal is to foster the spiritual development of our children and young adults in a setting that combines recreational and educational opportunities.

The Armenian Church Youth Organization of America (ACYOA) Junior and Senior Divisions conduct local, regional and national seminars and special events that address our youth's spiritual needs and growth as well as develop within them a strong sense of ethnic and religious identity.

When the summer season approaches, Saint Vartan Camp of New Milford, Conn., will again be open for its one- and two-week sessions. For many Armenian children between the ages of 8 and 16, the camp is undoubtedly a highlight of their young lives:

"No matter where, when or why," recalls David Aznavorian, 15, of Massachusetts, "when a group of Armenian youth get together, like here at St. Vartan, unforgettable experiences result."

"We have classes for singing, dancing and Armenian language," said 13-year-old Jeanine Mozian of New Jersey. "Every year, my favorite friends come together and we have a lot of fun."

The faithful support of our parishoners maintains current Diocesan youth programs and will help establish camps, like St. Vartan, in each of the four regions of the Diocese. These camps are projected to develop throughout the entire summer and offer to all the lives of thousands of Armenian-
American children.

Your contributions not only support programs that are presently extended to all parishoners, but they are for the further development of programs that offer much needed resources and services to specific groups within the body. The following is a brief outline of a few of these programs:

The Department of Religious Education undertakes the monumental task of developing all the books and teacher manuals used in the Diocesan Sunday School curriculum. The DRE also publishes periodicals, holds intensive teacher training sessions, and conducts outreaches to newly formed Armenian communities that have not yet established churches.

The Armenian Language Lab and Resource Center produces print and electronic teaching materials for Armenian Language Schools within and outside our Diocese. The Center sponsors an active calendar of cultural and educational events, and offers courses and seminars in language, history and religion. ALLARC publishes educational publications and supportive material, and is affiliated with a teacher training program at St. Peter's College, New Jersey, and is also the course developer for the Armenian Language program at Brown University, Rhode Island.

The Diocesan Social Services provides support, information, basic care and essentials for the elderly, the disadvantaged and needy, and the newly arrived Armenian immigrant. Our goal is to dramatically augment this vital ministry to meet the increasing needs of a great many of our people.

If you have donated in the past, we thank God for your generosity and we ask that you may once again contribute a portion of the bounty the Lord has blessed you with. Please remember to send your donation and the completed response card in the envelope provided.

Prayerfully,

Abp. Torkom Manoogian

In order to ensure the success of the Archbishop's Fund for DAY (Diocesan Armenian Youth), we invite you to be a vital part of the campaign for the New Jersey region. The DAY project is a major fund-raising effort to raise \$5 Million over 5 years from a select group of individuals in various regions of the country.

The attainment of our goal in New Jersey will help guarantee the future growth of key programs in the Diocese which affect our youth and their dedication to the Armenian Church...programs such as the Department of Religious Education (Sunday School), Armenian Language Lab and Resource Center (Armenian School), and the Armenian Church Youth Organization of America (ACYOA Seniors and Juniors). The enclosed brochure, specifically designed for this project, outlines the role of each program and its future needs. Please take a moment to read it!

As one of the five pastors in the New Jersey region, and a respected leader in the community, we seek your involvement in this campaign. It is only with your help and support that we can achieve our goal.

Both of us look forward to having Yeretzgin ~~Bisaipe~~ and you join us for dinner at our first campaign rally on Thursday, June 26, 1986 at 7:00 pm at the Stony Hill Inn in Hackensack, New Jersey. We will contact you by Monday, June 23, for confirmation of your attendance.

We look forward to working with you on this campaign, whose success can positively affect our youth and their involvement in the Armenian Church.

Respectfully yours,

Dear Mr. Lenzo:

To confirm our phone conversation this morning, the Diocese has received no response to its invitations for the buffet dinner meeting scheduled on Thursday, June 26th at 7:00 pm at the Stony Hill Inn.

Under these unfortunate circumstances, the Diocese must cancel this fund-raising affair until a later date.

We wish to thank you for your complete understanding and consideration in not penalizing our institution for this cancellation.

Wishing you good health and success in all your endeavors.

Dear Alice and Sarkis:

I would like to say thank you on behalf of Fr. Khajag and myself for your gracious hospitality on the evening of Thursday June 12th, during our trip to Chicago.

It was a pleasure to break bread with you and your beautiful family in that excellent restaurant.

I hope Sark had luck getting the car properly repaired, because that can be an ordeal these days. I must say we had an exciting ride to the airport, and hope you folks got home without difficulty.

It was unfortunate that we had to rush through dinner due to flight time, because once we arrived at the airport the hourly report was that our flight would be delayed by another hour until we boarded around 3:00 am. We arrived home on Friday at 7:00 am. Our recent trip to Chicago shall be a memorable one.

I wish you well and hope to see you in the fall if things go as planned.

Respectfully yours,

Dear Haig:

I wish to thank you for seeing us at your office Thursday June 12th on such short notice.

It was most pleasant meeting with you for the short period of time we had.

The decision made by Mrs. Pedian and yourself to host a cocktail party for the Archbishop's Fund in your home this fall was delightful news, and should ensure the success of the Midwest campaign.

As we discussed previously, I shall contact you in the very near future to make definite plans which shall be convenient for you and Mrs. Pedian.

May God bless you and your wonderful family for your continuing Christian spirit and generosity.

I wish to take this opportunity to thank you for the hospitality extended on Thursday June 12, 1986 to Fr. Khajag Barsamian and myself.

It was most considerate of St. Gregory the Illuminator parish to host the DRE curriculum project meeting for the Midwest Pastors, which I feel shall prove quite fruitful.

Please extend our sincere thanks also to the ladies of your Women's Guild who so graciously prepared for our dining pleasure. They certainly brightened the day with their cheerful spirit.

May God bless you all and guide you in fulfilling your mission.

ԱՌԱՋՆՈՐԴՈՒԹԻՒՆ ՀԱՅՈՑ

DIOCESE OF THE ARMENIAN CHURCH OF AMERICA, 630 SECOND AVENUE, NEW YORK, N.Y. 10016-4885 212 685-0710

Archbishop Torkom Manoogian, Primate

November, 1986

Dear Friend of the Diocese:

We are sending this special letter to you as the year draws rapidly to a close because something very important should be attended to before 1986 runs out.

As you know from the many stories that have appeared in the media, substantial changes in our national tax laws become effective January 1, 1987—less than fifty days away. Although full details have yet to be spelled out, there are some key points pertaining to deductions for charitable gifts, of which you must be aware.

After December 31 of this year, there will be a dramatic rise in the real cost of a charitable gift. At present, those individuals in the 50% tax bracket can make such gifts in the knowledge that every \$1,000 contribution only costs them \$500 after deductions. Starting with the new year, the after-tax cost to a donor of such an amount will be about \$720.

Also affected by the changes will be taxes on stocks or bonds donated to a charitable institution, such as ours. For example, the appreciated elements of property gifts (capital gains) will be subject to the alternate minimum tax, even though the full fair market value of the securities may still be deductible.

These and other drastic alterations in the tax laws make it very apparent that it will be to the advantage of contributors to make their donations now, before 1986 ends. There may be specific factors in your particular situation that can be explained by your tax counselor. What is certain is this: if you wait until after December 31, you could lose a number of important benefits.

We ask you to consider seriously making a special donation to the Diocese at this time. The many activities that are maintained – social service, clergy education, Armenian Language Lab., religious education, Choirs Association, Armenian Church Youth Organizations, upkeep of St. Vartan Cathedral – all depend upon your generosity for their support.

This is the time of the year when the days seem to go by at an accelerated pace. December 31 will be here in an instant. By making a special gift to the Diocese now you can still reap tax benefits that will disappear with 1986.

For those who may wish to donate securities, property or other non-cash items and are unsure of the tax implications, we will be pleased to provide counselling on such matters. If you will call our office, you will be directed to an appropriate source for this kind of information.

Be assured of our prayerful blessings as we enter the Christmas holy days.

Prayerfully,

Ab. Torkom Manoogian

Առաջնորդարանի Սիրելի Բարեկամներ,

Այս մասնաւոր մամուլը կը ղրկենք ձեզի՝ որովհետեւ կ'ուզենք ձեր ուշադրութեամբ յանձնել հետեւեալ կարեւոր իրադարձութիւնը, 1986 տարուան վախճանէն առաջ:

Հիմնական փոփոխութիւններ կատարուած են Միացեալ Նահանգներու տուրքի օրէնքներուն մէջ, եւ որոնք ի գորտ պիտի ըլլան 1987 Յունուար 1-էն սկսեալ: Այդ փոփոխութիւնները կը վերաբերին բարեկարգուող մուկրատուութիւններու առիթով կատարուելիք տուրքի զեղչումներուն:

Այս տարի, այն անհատները որոնք ի վիճակի են 50 առ հարիւր համեմատութեամբ բարեկարգուող մուկրատուութիւն կատարելու՝ գիտեն թէ իրենց կատարած իւրաքանչիւր 1000 տոլարի մուկրատուութիւնը իրենց «կ'արժէ» 500 տոլար միայն: Իսկ նոր տարիէն սկսեալ, այդ մուկրատուութիւնը «պիտի արժէ» մօտաւորապէս 720 տոլար:

Կատարուելիք մուկրատուութիւններէն պիտի ազդուին նաեւ այն գումարները՝ որոնք բարեկարգուող հաստատութիւններու (ինչպէս Առաջնորդարանն է) պիտի տրուին արժէքուղթերով (bonds) եւ բաժնետոմսերով (stocks): Օրինակի համար, այն մուկրատուութիւնները (կալուած, արժէքուղթ, եւ այլն) որոնք արժէքի բարձրացման հետեւանքով շահեր կ'ապահովեն (capital gains), անոնք եւս ենթակայ պիտի ըլլան համապատասխան տուրքերու:

Տուրքի օրէնքներուն մէջ այս եւ ըլլալիք ուրիշ փոփոխութիւնները զօրեղ կերպով կը թելադրեն բոլոր մուկրատուներուն որ «հրա՛» է ժամանակը, 1986 տարին վերջանալէն առաջ, կատարելու իրենց մուկրատուութիւնները: Ասիկա շատ նպաստաւոր պիտի ըլլայ անոնց՝ տուրքի զեղչումներու տեսակէտէն: Եթէ ձեր կացութեան մէջ կան մասնաւոր պարագաներ, անոնց համար կարելի է բացատրութիւններ ստանալ ձեր հաշուակալէն: Ինչ որ այ ըլլան պարագաները՝ մէկ բան որոշ է որ՝ եթէ սպասէք մինչեւ Դեկտեմբեր 31-էն վերջ, ասիկա պատճառ պիտի ըլլայ որ դուք կորսնցնէք պատեհութիւնը ուրիշ օգտակար ծառայութեանց:

Մենք կը խնդրենք որ այս պարագան լրջօրէն նկատի առնելով, այժմէն իսկ կատարէք ձեր մուկրատուութիւնը՝ Առաջնորդարանին: Այն բազմաթիւ գործունէութիւնները զորս Առաջնորդարանը կը նախաձեռնէ (ընկերային սպասարկութիւն, հոգեւորականներու դաստիարակութիւն, Հայ Դպրոցներու կրթական Բաժանմունք, Կրօնական Դաստիարակութիւն, Դպրաց Խումբերու Միութիւն, Հայ Եկեղեցւոյ Երիտասարդաց Կազմակերպութիւն, Ս. Վարդան Մայր Տաճարի Խնամատարութիւն, եւ այլն), մեծապէս կախում ունին ձեր ընկիւղ առատարութիւն մուկրատուութեանէն:

Դեկտեմբեր 31-ը շատ հեռու չէ մեզմէ: Այսօր ամենէն պատեհ ժամանակն է որ դուք թիկունք կանգնիք Առաջնորդարանին՝ ձեր նիւթական աջակցութեամբ: Այդպէս ընելով դուք պիտի օգտուիք նաեւ տուրքի օրէնքներուն ընձեռած տուրքի բարիքներէն, որոնք այլապէս պիտի անհետանան անցնող 1986 տարուան հետ:

Բոլոր անոնց՝ որոնք կը փափաքին արժէքուղթեր, կալուածներ, եւ ուրիշ ոչ դրամական նուէրներ տալ, եւ կամ անոնց՝ որոնք անորոշ են տուրքերու օրէնքներու տրամադրութիւններուն մասին, մենք համոյժով պիտի հայրապետենք խորհրդատուներ այդ հարցերուն վերաբերեալ: Երբ հեռաձայնէք մեր գրասենեակը, մենք ձեզի պիտի կարենանք տալ հարկ եղած ուղղութիւնն ու տեղեկութիւնը:

Յատաշիկայ Մննդեան տօներուն առթիւ, ընդունեցէք մեր օրհնութիւններն ու աղօթքը:

Սիրոյ ողջունի

Dear Fr. Barsamian:

It is with deep regret that I write to relinquish my position as co-chairman of Archbishop's Fund for DAY (Diocesan Armenian Youth). Increasing business responsibilities and demands of my time for family health needs leaves me with so much less time than I had even six months ago.

I have enjoyed my participation in this worthy fund raising and wish the committee every continued success.

Most sincerely,

Richard Abajian

Dear Mrs. Khavlijian:

Thank you for your generous donation of \$2,000.00 given to the Archbishop's Fund in December 1986.

With this contribution you have completed your "Pacesetter Pledge" of \$5,000.00.

From the ancient times Armenian women were very active in our church affairs. Princess Khosrovadoukht, Queens Ashken, Mariam, Zabelle, just to mention a few, erected churches, adorned them with their handicrafts and devoted means for their future upkeep. Armenian churches would have been long silenced without the firm stand of our grandmothers and mothers during and after the holocaust of 1915.

With your contribution you have come to prove once again that the same spirit of our ancestors is still alive.

May God preserve and strengthen you in your endeavors.

With prayers,
