### WATERTOWN'S FIRST COLLEGE DINNER DRAWS LARGE CROWD

On September 18, Watertown held its first college dinner of the season, attracting over 50 students.

The students enjoyed a chicken and pilav dinner while listening to welcome remarks made by Doug Tashjian, Executive Secretary, Susan Bergoudian, Chapter Chairperson, and Charles Guleserian, Parish Council Chairman.

Following dinner, many students participated in a game of Pictionary.

In addition to the speakers, Watertown was fortunate to have Scott Najarian - Central Council Chairman, and Tony Barsamian - Acting Executive Secretary during 1986-87, as guests.

The next college get-together will be a luncheon and brief program, to be held in mid-November. More details to follow.
