## ASP (Armenia Service Program)

**July 12 - August 10, 1995**

**Live in Armenia—Work in Armenia...**

### ***MAKE A DIFFERENCE***

This summer an exciting opportunity is being offered to the young adults of the Armenian Church. The Armenia Service Program (ASP) will take place from July 12 through August 10, 1995. Participants in this summer program will run a camp for young children in Yeghegnadzor. The group will spend time with the children on a daily basis teaching them, playing with them and learning from them. In addition to the camping program, participants will also assist with pre-renovation clean-up of a nearby ancient monastery "Hermone-vank" in the Siunik Diocese in southern Armenia.

Aside from the service project, participants will visit the major historical and religious sites of Armenia, spend time at Holy Etchmiadzin, attend bible-studies/worship services, as well as classes in language, music, dance and history. The participants will be immersed in Armenian culture and religion during their stay. Most importantly, and central to the program, is the hands-on experience they will have, truly contributing to the life of the church and the lives of the children they will be meeting. This is not a tourist trip. It is a unique chance for the young adults of our Diocese to not only live in Armenia for one month, but to assist the church in ministering to its young children and to participate in the exciting changes that are happening every day in the Republic of Armenia.

Participants in the ACYOA ASP, ages 19 and older, will experience first hand the changing political, religious and economic life of the Republic of Armenia, as well as the present difficulties of day to day living.

Interested individuals must complete an application form - space is limited to 20. Some knowledge of Armenian is helpful, but not required.

Deadline for applications: June 1, 1995.

For more information and application materials, please contact:

# Diocesan Summer Internship Program

**June 11 - July 21, 1995**

**Diocesan Headquarters  
New York City**

**THE DIOCESAN SUMMER INTERNSHIP PROGRAM** will be offered once again by the Diocese of the Armenian Church of America for undergraduate and graduate students who are at least 19 years of age.

Four interns will be selected to work in the following departments of the Diocesan headquarters in New York City:

- The Department of Religious Education
- The Department of Public Relations
- The Department of Social Services
- The Department of Youth Ministry
- The Zohrab Information Center
- The Armenian Language Lab and Resource Center
- The Fund for Armenian Relief
- St. Vartan Cathedral

The participants will have an opportunity to work on a variety of projects within their assigned departments.

The six-week program will also familiarize the students with Diocesan operations and include daily bible study and Armenian language instruction. In addition, the interns will be exposed to the excitement and culture of New York City.

Accommodations at New York University and a weekly stipend will be provided. Students are encouraged to apply now and to discuss the possibility of an Independent Study with their advisors or instructors.

Deadline for Application: May 1, 1995
