Dear Reverend Vartan:

On Thursday, October 5, Mr. Jack Antreassian, Executive Director of the Diocese, will visit your parish on behalf of the Diocesan Council and our Office, as part of his tour of our entire Diocese.

He will spend all day in your parish, discussing parish and Diocesan matters with you and your parish council, as well as with representatives of your ladies' organizations.

It is our expectation that you will arrange to spend some time with him so that a profitable exchange may be effected. A meeting, preferably in the afternoon, should also be set up with representatives of the ladies' group. The evening should be reserved for a meeting with the parish council, and the Diocesan delegates.

Along with matters of general concern, Mr. Antreassian will communicate one of our most urgent preoccupations — action on our youth program in your parish. For this it will be important to have available one or two, or even a group of your young people who are or have been active in ACYOA.

We are hopeful that this visit will be extremely useful, both to your parish and certainly to us.

Prayerfully,

Archbishop Torkom Manougian
Primate

Dear Father Vazken:

It has been some time since our parishes made group pilgrimages to St. Vartan Cathedral, and it is our hope that we may be able to reinstitute this practice on a regular basis. These pilgrimages proved to be a wonderful experience in the past, with valuable benefits, not only to the Cathedral, but to the participating parish.

We have programs that we can offer as supplements to worship in the Cathedral. It would make us happy if you could organize a group pilgrimage to St. Vartan Cathedral in your parish during 1974-75. We would want you, of course, to celebrate the Divine Liturgy.

Please give this your earliest consideration and confirm the date since we would like to announce it and make preparations for a noontime meal and a brief program for the day.

Let us hear from you at your earliest convenience.

Very Rev. Vazken Keshishian, President

Dear Father Vazken:

We read the November 20 issue of NOW, published by the ACYOA N.E. District Committee, with considerable interest, happy that such a regular publication is being undertaken, and aware of its great potential value.

We wish to make two observations.

In looking over the Bulletin Board of coming events, we noted that every item was a dance. We realize the importance of such social activities, but feel, nevertheless, that some balance must be introduced to our youth programs. No spiritual, no cultural programs at all? We direct your attention to this, and hope that at least a small measure of reorientation will be effected and that our youth will plan, and their publication reflect, programs of religious and cultural content, together with the social.

The second observation relates to the inclusion of the item on Armenian dissidents, which seemed to us out of place in such a publication. Nothing political should appear in our publications. There is an entire world that can occupy our attention in religious, cultural and even social concerns, so long as they are divorced from strictly political and controversial considerations.

Prayerfully,

Dear Father Vazken:

We are happy to inform you that we have given Father Garabed Kochakian the responsibility of organizing a Deacons' Training Program for our Churches in the New England region.

It has long been our wish to initiate such a program on the Diocesan level, and we feel gratified that we can make a beginning now. It is our intention to make comparable appointments for the other regions in our Diocese, hopefully sometime in the near future.

After having met with the Central Council of the Association of the Armenian Church Choirs, we have assigned Father Garabed to also organize workshops for the choirs in the region.

We have authorized him to communicate with you directly, and apprise you of his plans. We know that he will be accorded every cooperation in this most important and urgent task.

In both these programs, Father Garabed will serve as Liaison with the Primate.

His Eminence,
Archbishop Torkom Manoogian, Primate

Your Eminence:

We, the Parish Council and Parishioners of the Holy Cross Church, Lawrence, Mass. are proud to learn that our Hayr Soorp, Very Rev. Vazken Keshishian has been appointed the Vicar of Canada. His exemplary qualities of leadership deserves the position and we wish him the highest degree of success in his forthcoming endeavors.

However, we are saddened and disappointed by this development because it has become a reality with such short notice. Our Parish is on the threshold of an expanded building program with groundbreaking plans scheduled for early spring, and in order to fulfill this enormous task with proper kick-off activities and pledge drives, our church is now placed in a burdensome position. Up to the present time our church has been in a ready position because, for the past five years, Hayr Soorp's leadership and guidance has sought out the parish to bring forth those people with their capabilities and potential contributions.

The progress and activities in our church have quadrupled since he has been our Pastor; and with that we have attempted to be a model parish in the eyes of the Diocese. We have strived to uphold the decisions and directives of our beloved Primate, have met all of our financial obligations and by continued growth are typifying a truly dedicated Armenian Church within the framework of the Diocese.

Our disappointment is that we will be restricted in our progress and be without a leader perhaps indefinitely. Therefore, we request His Eminence to help alleviate this "critical situation" perhaps by a stay of Hayr Soorp's appointment, in order, to complete our ensuing construction, or by designating a replacement with the same dedicated spirit and administrative qualities of our beloved Hayr Soorp.

Yours sincerely,

Dear Chairman Azarian,

On behalf of the Choir of Holy Cross Church, I would like to express our feelings regarding the departure of Hayr Soorp Keshishian.

Through Hayr Soorp's leadership and devotion all aspects of church life have improved at Holy Cross e.g; enlarged attendance, spiritual awareness and increased financial support.

The construction of our cultural center is at a point which requires Hayr Soorp's unique leadership to reach completion. Therefore we respectfully request that he be allowed to remain with us.

Dear Surpazan Hayr:

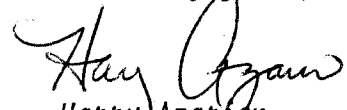

The Parish Council of the Holy Cross Church, Lawrence, Mass. requests a re-evaluation of its' assessments schedule from the Diocese. Since January 1979, our parish has been without a pastor and is at this moment in the midst of an extensive building program. Without a pastoral leader, our parish is suffering from low attendance and with it a decrease in funds necessary to operate the church. Our financial position is threatened now with the difficulty in procuring pledges for a \$200,000 plus fund-drive. This is an enormous task but we are committed and must continue our plans.

Secondly, we wish to point out that our sister parishes Haverhill and Chelmsford respectively are paying less assessments yet, their memberships etc. are very proportionate to ours. We realize Haverhill had no pastor for a certain period and Chelmsford was involved in the building of a new church; accordingly, Lawrence is now confronted with this double situation and we feel our assessments should be readjusted.

Please accept our thanks in consideration of this request.

Sincerely yours,

Sahag Sahagian

In this regard, we have been in frequent communication with Rev. Fr. Terenig Kondrallyan and can say that the feelings and desire for Der Hayr to come to Lawrence is mutual. Dear Surpazan:

We, the Parish Council of the Holy Cross Armenian Apostolic Church of Greater Lawrence, feel that a grave injustice has fallen on Father Manuel Yergatian, a member priest of the St. James Armenian Brotherhood in Jerusalem. The Turkish government, without any evidence of crimes committed against the Turkish state, has arrested and imprisoned Father Manuel. We feel that this imprisonment is by every standard of the civilized world harsh, unfair, and devoid of any consideration of his human rights.

We therefore propose that a letter be sent from the Diocesan Council of the Armenian Church of America to the following offices of this nation and the world requesting their condemnation of this unjust action by the Turkish Government and its courts. We also propose a letter of support requesting the immediate release of Father Manuel from prison.
