ONE OF THE MOST POWERFUL  
AND INFLUENTIAL PEOPLE  
IN THE WORLD

August 26, 1983

His Grace Archbishop Torkom:

My doctors gave me this stationary which they had made up for their "MOTHER SUPERIOR"!

I pray this short note finds you in excellent health and you are getting old with the rest of us gracefully. HA! Needless for me to say how proud I am of you when I read about you in all the Armenian newspapers as well as local newspapers too. If I swell anymore the buttons on my lab coat will be popping!

I am quite well here....in one months time they stoled my Lincoln, I fell and broke my ankle, at which time they just removed the cast yesterday after eight weeks, and I had surgery. Yes, through all this agony I worked and still kept in contact with all patients everyday.

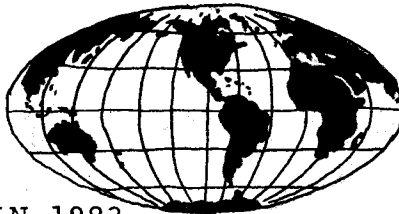

I wish to make a request from you my dear Hayr Torkom. And that is I would like two of your best books that you have written autographed to me personally for my 60th birthday (5/10/23), regardless what the cost may be, I will take care of it when I see you in Racine. Now, is this possible? All these years I have been supporting your Church at your request, now do this little favor for me.

Thank you with best regards  
from Mardig and myself.....

With deepest devotion,

*Margo*

P.S. I BOUGHT ANOTHER LINCOLN 1983

Look what one our parishoners came up with....30 yrs. ago?? You can see that I'm still the great runner you named me after many years ago... Marco Polo....as I'm still doing my bit for society. Albert in this picture had surgery today at the hospital I'm associated with. He is doing just fine.
