for the Martyrs' Day Dinner, Helen reported that Mrs. Boyajian will cook. They are planning on 100 people. Madagh, salata, sheet cake, and beda will be served. Father Paree will be here at 12 noon. Church will be from 11:00-12:00 and at 1:00 P.M. the program will begin in the church.

Guest speaker: Victor Manian.

Peter said that all minutes of any meetings held until we get another priest, must be sent to the Diocese per the request of the Archbishop. Helen reported that all of their minutes are berbatim, and she will try to talk to Mary Haidarian to condense them.

The Ladies Aid said they are planning a program for May 21st, for Mothers' Day, and they were undecided who to pick for the mother of the year.

Sunday School: Margaret said two months are left. Graduation Day is coming up, the picnic is June 11th, Area 8. Need new material for next year. There was discussion as to whether the oldest class should graduate this year.

A.C.Y.O.A.: Michael reported only about five active members. Arthur Barsamian is the advisor who was appointed by Hayr Soorp. They have just purchased a Christian flag for the church. When they have been given a job they do it, but they need leadership. They will have a meeting Sunday after the Martyrs' Day Dinner.

Parsegh will be invited to all future Parish Council meetings until we get a priest. We will be paying him \$25.00 each time he has a service when we do not have a priest.

There will be no church services on May 7th because of the Diocesan Assembly, and Parsegh will be in the hospital for surgery.

Sarkis and Michael Barsamian will make up a new inventory of church items.

Meeting adjourned.
