April 10, 1980

His Eminence Archbishop Torkom Manoogian, Primate
630 Second Avenue
New York City, New York 10016

Your Eminence:

This letter is in response to your request that we submit to you the entire cost for maintaining a priest at our church. The entire priest budget was presented to the parish council and it was approved. The cost is as follows:

Basic Stipend	\$10,700.00
IRA Plan	750.00
Housing	3,600.00
Health & Accident	1,500.00
Utilities	400.00
FICA	500.00
Compensation	150.00
Auto Expenses	1,000.00
Total	<u>\$18,600.00</u>

The parish council is hoping the Diocese will approve Father Chinchinian's appointment as soon as possible.

The parish council has also reaffirmed its desire to sell the Kradjian property in Port Crane, N.Y. Since the Diocese has the deed to the property, it readily has access to the size and location of the property. During the winter months, a portion of land is under water. Since this is the case, no new construction could take place on the land. The existing cottage requires a great deal of money for repairs. A section of the roof, for example, has fallen and water leaks profusely.

Deran Kradjian has found a prospective buyer for the property and the price range of the sale is approximately \$8000. - \$9000. We are requesting the approval of the Diocese for the sale of the property as well as the deed for the property.
