

Phone Conversation U. Findikyan to G. Rejebian:
Oct. 13, 4 pm

- U.F. inquired why her correspondence has been largely unanswered.
- G.R. claimed no time to write; said he was acting instead.
- U.F. requested that 2 proposals (dictated by His Eminence to Adrienne Kachadourian by phone on Sept. 26) should be included on agenda.
- G.R. stated that agenda was already prepared and that no proposals could be included without majority vote of Parish Council. (Note: agenda was not prepared at Parish Council meeting of Oct. 8, 1986, which had been specially called to prepare it, according to one P.C. member.)
- We question who prepared the agenda and when. Hays Sooren also has no knowledge.

- over -

- G.R. further stated that any proposals should have been noted on the petition; that the petition requested only a discussion of "the status of a full-time priest," and that was what would be on the agenda.
