IN RE: Parish Council

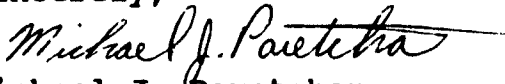

Dear Berjoohy:

After much deliberation, I've decided that it would be in my best interest to resign from my position in the Parish Council. This would take effect immediately so that my replacement could be advised as soon as possible. I had missed many meetings during my hiatus from the church, and have attended only several since my return. I have been uncomfortable with the fact that I am not properly assuming my responsibilities both at the meetings and at church services.

My expectation was that I would ease back into everything, but I have come to realize that there are other priorities in my life right now. When the time is right and I am once again able and eager to be involved with the Parish Council, I will come forward.

Everyone has been very understanding and supportive, and I have been both moved and strengthened by their prayerful concerns. Thank you for your cooperation and may God bless you.

Sincerely,

Michael J. Paretchan
