We have a difficult year ahead of us. Our first and immediate concern is securing a pastor. The newly elected parish council will work closely with His Grace and would appreciate meeting with His Grace on His next visit to the Boston or Merrimack Valley area, to better understand the problem and to resolve it as quickly as possible.

Meantime, we request a list of available pastors whom we can approach as perspective pastors for our parish.

Prayerfully,

Hovhannes Zerounian

Hovhannes Zerounian, Chairman
