

SUNDAY SCHOOL

The Sunday Church School of St Gregory,
The Illuminator, Armenian Church of Haverhill,
Mass. has 23 registered students.

The age groups are so spread out that
we only have three classes, namely a
kindergarten with 9 students, a combined
5th - 6th grade with 4 students and
a Junior High class with 10 students.

We have 3 regular teachers and 2
substitute teachers, but could use
more help in this department.

We have a Christmas and Easter
Communion breakfast each year. Our
receipts for 1974 totaled \$83.40 and
we had a bank balance of \$31.72 on
12/31/74
