Saint Gregory's Armenian Christian Youth Organization of America

Membership 21

Meetings monthly

How many times have we heard it said that our youth is the key to your future? Over the past year our youth group has made excellent progress from a loose organization of friends into a functioning organization of even closer friends. The members are learning that as individuals they have difficulty doing things for the Church and community but when working together they can accomplish a great deal. They are still having their problems organizing and learning that each must pull his own weight.

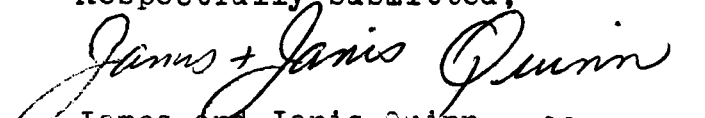

The members learned several good lessons in the importance of making good decisions and sticking by them. They decided to join the Armenian Youth Organization and although some members have had second thoughts, most are pleased with their decision. Those who are not completely pleased have learned that they must make themselves known when they are against something.

During the fall of the past year, Haverhill sent a delegation to the A.C.Y.O.A. Regional Conference in Providence, R.I., ours was the largest delegation in attendance at the meetings.

The Youth Group has conducted several socials among themselves and this past weekend they sponsored a social for the Merrimack Valley A.C.Y.O.A. Groups. Through this social and others they have attended the members have had the opportunity to make friends with other Armenian youths in the area.

We are looking forward to a year of continued success. The group hopes to increase membership, sponsor other socials, make new friends, learn more about their Armenian culture and continue to work for their church.

Respectfully submitted,

  
James and Janis Quinn, ADVISOR

MEMBERS OF YOUTH GROUP

Paula Aznavoorian 2-7472  
2 1/2 Swasey Street  
Haverhill, MA 01830
