

1996 Pledge Committee Report

President: Rev. Fr. Sahag Kaishian
Parish Council Chairman: Albert Movsesian
Pledge Committee Chairman: Martin Aaronian
Pledge Committee Member: Azaduhi Loosian

Because of the need to increase our church's revenues, I was appointed by the Parish Council to review our Pledge Envelope donations and to try to increase the yearly and/or weekly income of this program.

A letter was drafted with the help and approval of Der Hayr and Parish Council Chairman Albert Movsesian to request from our parishioners an increase (for those already donating) or to add new Pledge members.

Over 200 letters and Pledge sign up cards were mailed to our parishioners in September 1996. We had 22 responses which added approximately \$1,100.00 to our 1996 Pledge income and about the same amount for 1997.

We are going to continue our efforts this year (1997) to add more contributors to our Pledge Program.

Thanks to all Parishioners presently donating towards the financial needs of our Church.

Respectfully submitted,

Martin Aaronian
