

## DANCE GROUP REPORT

The St. Gregory Armenian Church - Armenian General Benevolent Union Dance Group met almost regular sessions during the first half of 1979 at the St. Gregory's Armenian Church. Rehearsal days varied in order to accomodate our members. The dance group varied from 10 to 14 members.

Through the efforts of Ghazaros Kerjilian, the dance group received an outright grant from I.B.M. of \$ 1300.00 for the purpose of purchasing a sound system and new costumes for the group.

The Dance Group was invited by the Holy Trinity Greek Orthodox Church to perform for their March 25th Celebration at their church. They in turn (THE SPARTANS) performed for the St. Gregory's Armenian Church during the visitation of our Archbishop Torkoom Mannogian on May 20th, 1979.
