

SAINT GREGORY ARMENIAN APOSTOLIC CHURCH

SUNDAY SCHOOL REPORT - FEBRUARY 1983

Sunday School holds three classes - Kindergarten, Intermediate and Junior-Senior levels. Regular attendance totals 8 students. We have three teachers.

Three students will graduate this year. Perhaps next year the best thing would be to have one class, instead of dividing into classes of two or three.

We have not had any program specifically earmarked as a Sunday School program. However, all the children have participated in church programs, from time to time, as well as helping at dinners, serving on the altar and for special feast days.
