

## BREAKDOWN OF PLEDGES AND MEMBERSHIP FOR 1960

The first column shows the amounts paid either in pledges or as membership dues. The second column shows the number of individuals who gave that amount; and the third column shows the number of couples (husband and wife) who together gave the amount shown. Please keep in mind that out of the amount given, \$7.00 per person is sent to the Diocese each year. Considering our 1961 budget and the total of our individual members (husband and wife being two members), in order to cover this budget, each individual should give \$50.00 per year.

We realize that some of our members are financially in higher brackets and some in lower brackets. These two groups are a minority compared to the main body of our members who should strive to pay the average of \$50.00 per person, per year.

Find where you stand in this breakdown and determine whether you are giving your fair share.
